

# Patient experiences of alcohol withdrawal management

*Could alcohol prescribing be a feasible  
alternative?*

## BACKGROUND

**Alcohol prescribing has been in  
place at Sandwell and West  
Birmingham NHS Trust since  
2021**

We have seen that it leads to a  
reduction in unplanned  
admissions for alcohol withdrawal  
management

Study title: ALCOHOL  
PRESCRIBING FOR ALCOHOL  
WITHDRAWAL MANAGEMENT

## WHY?

**We would like other  
sites to take on alcohol  
prescribing too**

To do this we need to  
hear from you about  
your opinions, views and  
thoughts on this as an  
intervention.

## HOW?

**To take part please  
visit the link below OR  
scan the QR code  
above to complete our  
research questionnaire**
